

Helping Today's Students Reach Academic Success

Workshop Description

Visionary Leader Institute's (VLI) will be presenting this seminar. VLI's mission is to increase the spirit of academic excellence for all students. This seminar is designed to enhance academic success by helping parents and communities understand how to reach and teach today's students. Visionary Leader Institute will demonstrate how today's hip-hop culture is impacting today's student, and demonstrate how effective parenting, and understanding the various learning styles, can help students achieve success.

Presenter(s)

Ako Kambon, president of Visionary Leaders Institute, is a dynamic, versatile motivational speaker and trainer. Mr Kambon is nationally recognized as a leader in the fields of educational consulting and designing and conducting leadership seminars for public and private educational institutions. He and his team of presenters are especially experienced in supporting African American and Latino students, as well as other diverse groups.

Attendees

Parents, Faith-Based Organizations, Youth Organizations, and Community Outreach Advocates. Adults only; no childcare provided.
