

# EdTech Classroom Conference Student Technology Showcase November 3, 2007

The 3rd Annual EdTech Classroom Conference Student Technology Showcase is sponsored by California State University, San Bernardino (CSUSB) School of Education, California Technology Assistance Project (CTAP), San Bernardino City Unified School District (SBCUSD), and Inland Area Computer Using Educators (IA-CUE). We are looking for exemplary student projects from either the 2006-2007 or 2007-2008 school year.

Projects could include (but are not limited to) web, video, multimedia, graphics art, sensor/probe data and analysis, animation, and database development using a variety of technology techniques.

Some projects may be asked to represent the region at the State Showcase in March.

**Who:** K-12 students (and their teachers) in Riverside and San Bernardino counties

**What:** Presentations of exemplary standards-based student projects modeling technology integration into the curriculum. Each project may have up to five students participating in the presentation.

**Where:** CSUSB  
EdTech Classroom Conference 2007

**When:** Application entry deadline  
October 8, 2007  
Student Showcase November 3, 2007

**How:** Teachers will create lessons that incorporate students using technology towards an end product. Students will present their projects at the Student Showcase.
